Program Book for Becoming an
Instructor

Exclusively Tailored for

VICTORIA VYNN™

MIDDLE EAST

Our Goal:

Turning Skilled Nail Artists into Inspiring Educators

Course Overview:

This intensive 4-day academic program is designed for nail professionals who aspire to become certified instructors. Participants will gain both advanced technical skills and strong pedagogical abilities to teach manicure practices at an international level.

Course Objectives:

- Equip future instructors with advanced manicure techniques.
- Develop pedagogical skills for effective teaching and training.
- Enhance knowledge of nail health and safety in the salon environment.

Educator:

Olga Maksimovich

With over 15 years of extensive experience in the nail industry, Olga has built a reputation as a passionate, creative, and highly skilled professional. For the past 6+ years, she has been a dedicated nail educator in the Victoria VYNN Academy, training aspiring nail technicians with her deep knowledge, precision, and innovative techniques.

Fluent in English, Arabic, and Russian, Olga connects with a diverse community of students, making her trainings accessible and engaging for learners from different backgrounds. Her ability to communicate across languages enriches the learning experience and creates a welcoming, inclusive environment.

Under Olga's guidance, participants gain the skills, discipline, and mindset needed to succeed as true professionals in the nail industry.
